Man

Skin care for men is no longer a necessity, but expression of a new body consciousness and positive awareness of life.

Care products which are formulated to suit the needs of men are simply a must-have.

The DR.BELTER® «MAN» line offers specific care for demanding male skin.

The scientifically well-founded product formulas consider the special needs and properties of the skin.

They counteract the effects of frequent shaving, stress load, pollution, and the natural ageing process.

The preparations provide the skin with moisture and effective active ingredients.

The skin is optimally cared for and radiates vitality.
