Samtea

WELLNESS – BEAUTY – BALANCE

With today's accelerated lifestyle it has become even more important to interrupt the work pattern and the hectic fast pace and take time for oneself.

For these moments Samtea's body & balance offers sensual and effective care. DR.BELTER COSMETIC draws from the whole variety of nature and uses domestic as well as exotic active ingredients to provide effective, holistic care concepts for spas and home care, e.g. marine active substances, silk powder, aromatherapy elements, fruit and botanic extracts, herbs, biotechnological ingredients!

The Samtea's body & balance body care line gives exceptional wellness simply because it is so seductive and pleasant that you will regularly take the time to devote to yourself and to your body
