Dr Belter UK - Professional Skincare Brand

Dr Belter

Bel-Energen

Â

Â»Bel-EnergenÂ« is the top performance care line of DR.BELTERÂ® COSMETIC.

It offers anti-ageing products and treatments for womenÂ who wish to have both natural care with organic ingredients and highly effective, innovative actives.

Carefully selected high-tec components such as the biomimetic DLS, patented peptides, AntarcticineÂ® and FreshCellsâ„¢ are combinedÂ with proven herbal extracts to deliver visible care results.

Four product groups offer their advanced benefits to the skin,Â each comprising a cream, a concentrate and a special treatment.

Â

Daydream Cleansing Foam

The soft, ultra light, soap-free foam frees the skin effortlessly and gently from make-up and dirt particles.
