

Dr Belter UK - Professional Skincare Brand

Dr Belter

Intensa

The «Intensa» care series encompasses intensive products, suitable either for all skin types, or to address particular beauty issues or special skin situations for occasional application.

The application spectrum addresses individual skin deficiencies, effectively supporting the natural beauty of the skin and its youthful radiance.

«Intensa» Specialities – Active beauty treatment at DR.BELTER® COSMETIC this means taking an individual approach to the special needs of the skin with the help of special preparations, highly concentrated effective substances.

Soft Peeling

This vitalizing exfoliation gel removes dull, flaky skin cells, enhances blood circulation and improves the effect of following skin care products. [\[Find out more...\]](#)

Lip Balsam

In this Lip Balsam, natural basic ingredients such as bees wax, olives extract, jojoba and sweet almond oil are combined with specific active ingredients such as hyaluronic acid lip boost complex, calendula and panthenol to regenerate healthy and beautiful [\[Find out more...\]](#)

Hand Cream

This pure white, gently fragranced emulsion leaves hands silky soft. It is economical to use, quickly absorbed and forms an invisible protective shield. The product should be applied one per week as a mask for dry and chapped hands - a thick layer is simple [\[Find out more...\]](#)

Special Gentle Mask

This light green cream mask calms and smoothes sensitive and irritated skin. [\[Find out more...\]](#)

NaturaVital Mask

This corn-yellow cream, enriched with natural oils, such as from calendula and wheat germ, plus vitamin E and vitamin B complex, is particularly suited to dry, brittle and challenged skin, quickly returning its elasticity and gentle softness. [\[Find out more...\]](#)

Cryomoist Mask

This soft, rose ½ cream mask cools, rejuvenates and cares for skin with large pores and a tendency to excess oil. The ingredients menthol, camphor, extract of witch hazel and epigallocatechin gallate make this product equally suitable for men's thicker and rougher skin. [\[Find out more...\]](#)

Oceanica Mask

This mask contains oceanic ingredients and extract of Breton sea algae with precious minerals, restoring the balance of the skin, calming and tightening the tissue. [\[Find out more...\]](#)
