Dr Belter

Pure Balance Refiner

'New'

This pure white moisturiser for oily and combination skin reduces the sebaceous gland activity and blackhead formation. It refines the pores and protects the skin from dehydration and pollutants. Â This cream moisturiser reduces redness, soothes and stimulates collagen synthesis.

Use morning and evening for best results.

Essential ingredients include DLS, squalene, organic jojoba oil, SebomineÂ® vitamin E, soothing complex, vitamin C spheres, Natural moisturising factors, hyaluronic acid, vegan biotech silk proteins, GatulineÂ®, Radiance, InositolÂ® and polyplant complex.

Pure Balance refiner is available as 50 ml retail size and 100 ml salon size.

Apply after thorough cleansing and toning using soft, circular motions to the face. Â We recommend that the eyes are cared for with Ocula eye care products.

Ingredients

Aqua (Water), Cetearyl Alcohol, Olive Oil Decyl Esters, Pentylene Glycol, Propanediol, Squalane, Simmondsia Chinensis (Jojoba) Seed Oil, Cetearyl Isononanoate, Olea Europaea (Olive) Fruit Oil, Propylheptyl Caprylate, Cetearyl Glucoside, Tocopheryl Acetate, Bis-Ethylhexyloxyphenol Methoxyphenyl Triazine, Phospholipids, Squalene, Xanthan Gum, Caprylic/Capric Triglyceride, Glycerin, Sodium Stearoyl Glutamate, Tocopherol, Magnesium Ascorbyl Phosphate, Sorbitan Stearate, Butyrospermum Parkii (Shea) Butter, Inositol, Myristyl Lactate, Sodium Lactate, Linoleic Acid, Evodia Rutaecarpa Fruit Extract, Glycyrrhetic Acid, Sodium Pca, Tetrasodium Glutamate Diacetate, Phytosterols, Sodium Hyaluronate, Urea, Allantoin, Panthenol, Sr-Spider Polypeptide-1, Potassium Thiocyanate, Lactoferrin, Niacinamide, Ceramide Np, Lactoperoxidase, Fructose, Glycine, Tartaric Acid, Glucose Pentaacetat, Glucose Oxidase, Parfum (Fragrance), Benzyl Salicylate*, Limonene*, Citronellol*, Hexyl Cinnamal*, Linalool*, Alpha-Isomethyl Ionone*
