## Aquasilk 24

'New'

**A lovely light, soft creamy gel anti-ageing moisturiser to moisture boost normal and dehydrated skin.**

Use morning and evening to intensively moisturise, helps prevent expression wrinkles and loss of firmness. Â A regenerating moisturiser that soothes and calms the skin. Â An ideal moisturiser for effective transition from youth skin care to active care.

The essential ingredients include Squalene, organic sweet almond oil, organic sunflower oil, shea butter, vitamin E, natural moisturising factors hydro complex, ginseng extract, hyaluronic acid, baobab-hibiscus complex, golden sea weed and vegan biotech silk proteins.

Aquasilk 24 is available as 50 ml retail size and 100 ml salon size.

Use Aquasilk 24 after thorough cleansing and toning, apply generously to the face using gentle massage motions. We recommend the sensitive eye area is best cared for with Ocula eye care products. Please be aware that product residue in the dispenser opening can dry and form a plug or oil drop, depending on the texture of the product. This does not affect product quality.
