Dr Belter

Day Care Plus

'New'

An extra rich creamy day moisturiser for dry skin.

Use in the morning for a moisture boost, prevents expression wrinkles and loss of firmness, prevents redness and UV cell damage leaving the skin smooth and supple.

The essential ingredients include organic jojoba oil, squalene, organic almond oil, organic borage seed oil, organic calendula oil, vitamin E, soothing complex, baobab-hibiscus complex, Natural moisturising factors, hyaluronic acid, vitamin complex A, E, F, H, B-group and buckeye extract, astaxanthin, vegan biotech silk proteins, isoflavones from organic red clover and golden sea weed.

This product is only available as 50 ml retail size.

Use after thorough cleansing and toning and apply Day Care Pus with soft, circular motions to the face. Â
The delicate eye area is best cared for with Ocula eye care products.
