Cream Carotin

A vitamin rich and protective 24 hour moisturiser to improve dry, chapped skin lacking in natural oils.

Use day and night and in between if required to ward off the elements during the winter months.

The skin will regain suppleness and softness with the help of caring ingredients including purest lanolin, carrot extract, vitamin B-complex and wheat germ extract.

This products is available in 50 ml retail size and 100 ml salon size.

Use after thorough cleansing, apply Line N Cream Carotin evenly to the face and neck.

We recommend to use Ocula Biomimetic Eye cream to care for the delicate skin around the eyes or Nutritiv Eye Balm.

Ingredients:

Aqua (Water), Cetearyl Octanoate, Ethylhexyl Isononanoate, Lanolin, Sorbitan Sesquioleate, Ceresin, Cera Microcristallina (Microcrystalline Wax), Stearyl Caprylate, Stearyl Heptanoate, Trihydroxystearin, Magnesium Sulfate, Helianthus Annus Seed Oil (Sunflower Seed Oil), Peg-7 Hydrogenated Castor Oil, Bisabolol, Triticum Vulgare Germ Extract (Wheat Germ Extract), Hamamelis Virginiana Distillate (Witch Hazel Distillate), Beta-Carotene, Daucus Carota Extract (Carrot Extract), Tocopherol, Allantoin, Calcium Pantothenate, Inositol, Niacinamide, Thiamine Hcl, Polysorbate 80, Retinyl Palmitate, Arachis Hypogaea Oil (Peanut Oil), Ascorbic Acid, Methionine, Pyridoxine Hcl (Pyridoxine Hci), Biotin, Sulfur, Folic Acid, Phenoxyethanol, Alcohol Denat.
