Cream Vitagel C/E

A light, cream-gel 24 hour moisturiser with Vitamin C and Vitamin E to calm and protect all types of skin.

Use day and night to strengthen the defensive system of the skin and protect from environmental factors. Improves skin hydration with anti-irritative properties to keep the skin soft and smooth. This moisturiser has a matte finish and is suitable from teenage upwards.

The essential ingredients include Vitamin E, Vitamin C and caring oils of plant origin.

This product is available in 50 ml retail size and 100 ml salon size.

Use after thorough cleansing by applying Line N Cream Vitagel C/E evenly to the face and neck.

We recommend using Ocula Multiactive Eye Contour Serum to protect the delicate skin around the eyes
