Dr Belter

Nutritiv Eye Balm

A regenerating, water-free eye treatment to prevent dryness in the sensitive eye area during the night. The natural oil components, such as squalene, jojoba, wheat germ, calendula, and carrot extract, ensure silky smooth skin and prevent wrinkles. In addition to that this balm has also been successful in the treatment of eczema.

KEY INGREDIENTS: squalene, jojoba oil, wheat germ oil, sweet almond oil, calendula oil, pomegranate seed oil, argan oil, carrot extract, vitamin E complex

EFFECT AND PROPERTIES: natural, mild balsam for maximum suppleness, prevents dryness and wrinkle formation, emollient, does not contain water, can be used very sparingly, melts delicately when touched, free of preservatives.
